**Golf Edition from \$25,490<sup>1</sup>**

**Golf Pacific from \$29,990<sup>2</sup>**

## The special Golf models. More safety features as standard.

There is a whole host of new safety features across the entire Golf range. So sitting alongside the six airbags and ABS, which were already standard, you'll now find ESP and Brake Assist, two unique features designed to keep the Golf on the road in the most demanding driving conditions. With extra features at no extra cost it's safe to say you'll be very happy with the new Golf special models. Visit your nearest Volkswagen dealer today.
